## XCPC **Spirit**

Automation field manufacturing  
and R & D experts

Enhance competitiveness of XCPC brand,  
explore the world market with XCPC brand,  
keep improving the product quality and  
service to reach the best.

## Company Profile

Ningbo Xinchao Automatization Component Co.,Ltd was established in 1991, is a high-tech company specialized in pneumatic components manufacturing. At present, XCPC has become one of the biggest pneumatic components manufacturing and exporting company in China. Specialized in producing Pneumatic cylinder, solenoid valve, Air source treatment, Pneumatic fittings, PU/PE/NY tubes etc. XCPC has bought more first-class CNC machining center, from United States, Japan, Italy and other foreign countries like high-speed automatic lathe, CNC machining, precision EDM, injection molding, stamping, die-casting and other various equipments. XCPC not only have advanced processing equipments, but also equipped with a consummate testing facilities and strong technical support. Managed criterion in the production, quality, material management and so on, operates strictly according to the standards and process of international quality system.

The company has more than 300 employees, among them, 30% are professionals, the company has quality control Dept and R & D Dept. With the strong scientific and technological strength and rich professional experience. We can design, develop, and produce various kinds of pneumatic components and complete sets of equipment by ourselves. We Continue innovation, from product design to production, we improve better and better. The key seal kits and magnet of products are imported from Germany, Japan, Switzerland, Taiwan. Provide the customers with excellent performance products. Received recognition from customers come from more than 60 countries and regions with the excellent products and good service. In domestic and abroad enjoy high Visibility.

XCPC has passed the ISO9001: 2000 international quality system certification advance in the pneumatic line, use computer network management system, first-class employee training center. XCPC is moving to the the direction of modernization, Internationalization and Group.

## Corporate Culture

25%

### Our location

To be the benchmark of automation industry

50%

### Our philosophy

Focus: focus on automation control industry  
Sharing: sharing the achievement and high quality service with customers

75%

### Our values

Innovation creates value

100%

### Our service

Pre-sales: fast reaction to customers' needs and long term following up  
After-sales: collect and analyze customers' feedback  
Technics: Strong technical support for customized products.

## XCPC Honor & Certificates

- China National High-tech Enterprise
- Famous Brand of Zhejiang Province
- Famous Branded Products of Ningbo
- Scientific & technological enterprise of Ningbo
- Ningbo enterprise R & D center
- Public Service Platform
- Famous Export Brand
- Professor researching center
- Top 10 Enterprise Comprehensive
- Switzerland SGS Certificate
- France Bureau Veritas Certificate
- CE、ISO9001

32 100+ 40+

Pursue the international market .  
Build the global brand  
"XCPC" is the goal we pursue forever.

XCPC currently has a wide sales network over 100 countries all over the world. We have distribution in more than 40 countries. This number is growing day by day. Except we sell "XCPC" brand product, we do many OEM production for some world famous brands or other customers. We are enlarging the market share in international market very hard every day.

## Global Sales Network

### America market

#### Product instruction

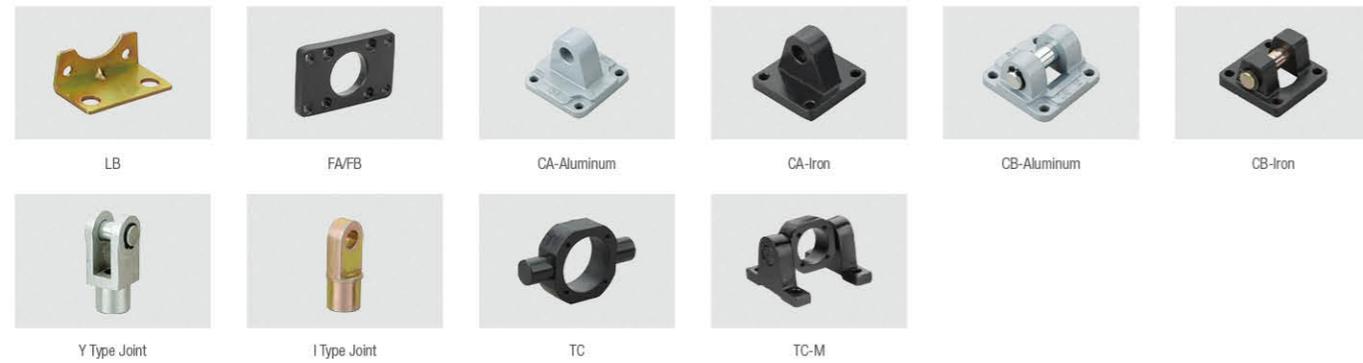

Our company has R&D department,can research,develop and produce all kinds of cylinders with advanced technology and sufficient professional experience.  
We can research and develop new products according to your drawing,and strive all products for excellence.  
If you have new product to develop,pls don't hesitate to contact us,we will try our best to help you.

Designing Features

Designing Features(of Hawks 10 Series Pneumatic Actuator)

- Extruded aluminum ASTM6005 body with both internal and external corrosion protection having honed cylinder surface for longer life and low coefficient of friction.
- Dual piston rack and pinion design for compact construction, symmetric mounting position, high-cycle life and fast operation, reverse rotation can be accomplished in the field by simply inverting the pistons.
- Multiple bearings and guides on racks and pistons, low friction, high cycle life and prevent shaft blowout.
- Modular preloaded spring cartridge design, with coated spring for simple versatile range, greater safety and corrosion resistance, longer cycle life.
- Fully machined teeth on piston and pinion for accurate low backlash rack and pinion engagement, maximum efficiency.
- Carbon steel with nickel plated or stainless steel fasteners for long term corrosion resistance.
- Full conformance to the latest specifications: ISO5211, DIN 3337 and Namur or product interchangeability and easy mounting of solenoids, limit switches and other accessories.

Air Source Treatment Units

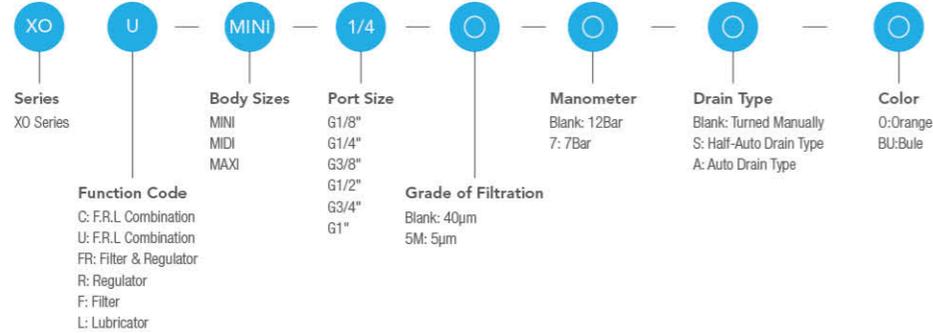

XCPC is one of the leading factory in this area for 10 years, with high reputation in domestic and international market. XCPC produce different standards of air source treatment unit (short as FRL), which include air filter, regulator, lubricator.

**Solenoid Valves**

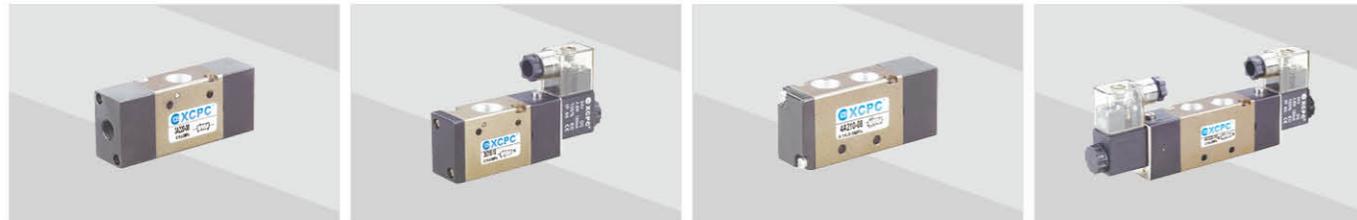

XPCP never stop its step to improve the quality, 2 times life time, less friction inside the valve body and high dust prevention, machining by CNC center. XPCP uses the high grade of material and imported machine to make all the details perfect.

## Solenoid Valve

### 4V/3V Series Solenoid Valve, 4A/3A Series Pneumatic Control Valve

Except the existing colours, Now we have launched black valve body with laser printing model number. Other colours of body can be produced if order quantity meets our required.

#### Ordering Code

4V	1	10	08	○	AC220V	○
<b>Specification Code</b> 4V: 4V:Two(Three)-position Five-way Solenoid Valve 4A: Two(Three)-position Five-way pneumatic control valve 3V: Two-position Three-way Solenoid valve 3A: Two-position Three-way pneumatic control valve	<b>Series Code</b> 1: M5 and 1/8" Valve body 2: 1/8" and 1/4" Valve body 3: 1/4" and 3/8" Valve body 4: 1/2" Valve body	<b>Coil and Places</b> 10: Single-head Double-position 20: Double-head Double-position 30C: Double-head Three-position Close Type 30E: Double-head Three-position Exhaust Type 30P: Double-head Three-position Pressure Type	<b>Port Size</b> M5: M5×0.8 06: G1/8" 08: G1/4" 10: G3/8" 15: G1/2"	<b>Port Connection and Initial State</b> Blank: Pipe Connection Type NC: Two-position Three-way Normal Close Type NO: Two-position Three-way Normal Open Type	<b>Standard Voltage</b> DC12V DC24V AC24V 50Hz/60Hz AC110V 50Hz/60Hz AC220V 50Hz/60Hz AC380V 50Hz/60Hz	<b>Wiring Form</b> Blank: Standard Connector LD: Brown With Lighting Connector LD1: White With Lighting Connector W: Lead Wire Type

- 1 Spool: Material aluminum 6061
- 2 O-ring: Material NBR
- 3 White case: Material POM

#### Product Industruction

This solenoid valve is our new developed product. All the installation dimension is the same as 3V, 4V series, and the valve spindle material is still aluminum, but we changed the material outside valve spindle into POM (polyformaldehyde). Then it will be not only the seal-ring that operate separately, which will bring the new product two advantages:

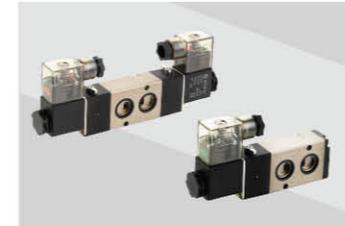

1. High dust prevention, air-proof
2. One or twice lifetime than normals

If you need this high quality type product, please add the word "new" (abbreviation "N") after the ordering code, for example: 4V210-08-N.

2 Position 2 Way Solenoid Valves

2/2 way valve has high demand on thermostability, anti-high pressure, high corrosion resistance, after many years of testing, we improved the design and processing technics, making every piece of valve meet demands of different industries.

### 2/2 Way Solenoid Valve

#### 2V Series

**Ordering Code**

<b>2V</b>	<b>025</b>	<b>06</b>	<b>AC220V</b>	<b>V</b>
<b>Specification Code</b> 2V: Two-position Two-way Solenoid Valve	<b>Aperture of Flow Rate</b> 025: 2.5mm 130: 13mm 250: 25mm	<b>Port Size</b> 06: G1/8" 08: G1/4" 10: G3/8" 15: G1/2" 20: G3/4" 25: G1"	<b>Standard Voltage</b> DC12V DC24V AC24V 50Hz/60Hz AC110V 50Hz/60Hz AC220V 50Hz/60Hz AC380V 50Hz/60Hz	<b>Oil Seal Code</b> Blank: NBR V: VITON(For High temperature)

#### 2P Series

**Ordering Code**

<b>2P</b>	<b>025</b>	<b>06</b>	<b>AC220V</b>	<b>○</b>
<b>Specification Code</b> 2P: Two-position Two-way Solenoid Valve(Reinforced plastic steel type)	<b>Aperture of Flow Rate</b> 025: 2.5mm	<b>Port Size</b> 06: G1/8" 08: G1/4"	<b>Standard Voltage</b> DC12V DC24V AC24V 50Hz/60Hz AC110V 50Hz/60Hz AC220V 50Hz/60Hz AC380V 50Hz/60Hz	<b>Wiring Form</b> Blank: Lead wire Type D: Joint Connector

#### 2W Series

**Ordering Code**

<b>2W</b>	<b>025</b>	<b>08</b>	<b>F</b>	<b>AC220V</b>	<b>○</b>
<b>Specification Code</b> 2W: Two-position Two-way solenoid valve direct drive type 2WH: Two-position Two-way solenoid valve (High pressure direct drive type)	<b>Aperture of Flow Rate</b> 012: 1.2mm 020: 2.0mm 025: 2.5mm 040: 4.0mm	<b>Port Size</b> 06: G1/8" 08: G1/4" 10: G3/8"	<b>Initial Estate</b> Blank: Pipe Joint Type F: Flange Type	<b>Standard Voltage</b> DC12V DC24V AC24V 50Hz/60Hz AC36V 50Hz/60Hz AC110V 50Hz/60Hz AC220V 50Hz/60Hz AC380V 50Hz/60Hz	<b>Wiring Form</b> Blank: Lead Wire Type D: Joint Connector E: Blast-proof Coil G: Water-proof Coil

Other Solenoid Valve

Solenoid Valve Accessories

Pressure Controller

Pneumatic Vibrator

Pneumatic Accessories

Users usually overlook these accessories, but they are most necessary element in pneumatic system. XCPC knows the importance of these small parts, we never give up the high quality standard.

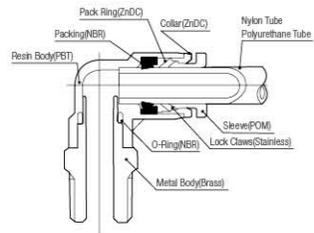

## Pneumatic Accessories

### Application

One-touch joints used in pneumatic piping. Used for a wide variety of modes to meet all needs.

### Structural Diagram

### Case In Use

**POC Model**  
The hexagonal hole of the inside body make it possible to tighten the fitting with a hexagonal wrench. A hexagonal wrench must be used due to the round exterior.

**PL Model**  
Flexible for directional tube laying given its revolving construction of body(PL and PT type)

**PL Model**  
Elliptical sleeve makes it possible to apply and remove the tube easily in confined spaces.

### Feature

Easy to connect/disconnect tube by one touch.  
PC type is useful for piping in confined space, given its six-angle wrench processing inside.  
Elliptical sleeve makes it possible to apply and remove the tube easily in confined space.  
Fittings are equipped with a Gasket, O-ring and Teflon-Treatment already on the thread.

### Specification

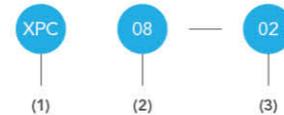

Fluid	Air(No other gases or liquids)	
Working Pressure Range	0-150PSI	0-9Kgf/cm <sup>2</sup> (0-900Mpa)
Negative Pressure	-29.5 in Hg	-750mm Hg(10Torr)
Temperature Range	32-140F	0-60°C
Applicable Tube Material	Polyurethane and Nylon	

**Sleeve Color(Oval)**

**Sleeve Color(Round)**

The color can be adjusted based on your require
